Views and Policies for Investment Unit

TOKYO, February 17, 2022 -- Trend Micro Incorporated (TYO: 4704; TSE: 4704), a global cybersecurity leader, today announced as below.

1. Views for Investment Unit
We recognize that securing liquidity of our shares is an important issue, and we regard reducing the investment unit as a certain method of securing liquidity.

2. Policies for Investment Unit
Based on above, we consider the current liquidity is at relatively higher level. With that background, we have concluded reducing the investment unit is not necessary. We intend to review in the future the investment unit as needed, taking into consideration the shareholder’s interest and influences to the liquidity of our shares.
