

## **Views and Policies for Investment Unit**

Tokyo, Japan – February 14, 2019 - Trend Micro Incorporated ([TYO: 4704](#); [TSE: 4704](#)), a global leader in cybersecurity solutions, today announced as below.

### **1. Views for Investment Unit**

Trend Micro Incorporated recognize that securing liquidity of our shares is an important issue, and we regard reducing the investment unit as a certain method of securing liquidity.

### **2. Policies for Investment Unit**

Based on above, we consider the current liquidity is at relatively higher level. With that background, we have concluded reducing the investment unit is not necessary.

We intend to review in the future the investment unit as needed, taking into consideration the shareholder's interest and influences to the liquidity of our shares.

### **About Trend Micro**

Trend Micro Incorporated, a global leader in cybersecurity solutions, helps to make the world safe for exchanging digital information. Our innovative solutions for consumers, businesses, and governments provide layered security for data centers, cloud environments, networks, and endpoints.
