Notice of Selection and Application for New Market Segment “Prime Market” on Tokyo Stock Exchange

On July 9, Trend Micro (“we”) received the results of the initial assessment regarding the listing criteria for new market segments from the Tokyo Stock Exchange (“TSE”), which confirmed that we fulfilled the requirements for listing on the “Prime Market.”

Based on the result, on October 5, our board of directors resolved to select to list on the “Prime Market” as the TSE transitions to 3 new market segments with each listing criteria and to submit relevant applications to TSE.

Hereafter, we will proceed with the prescribed procedures in accordance with the schedule set by TSE.
