

## Views and Policies for Investment Unit

**TOKYO, February 18, 2026** -- Trend Micro Incorporated (TYO: 4704;TSE: 4704), the largest global cybersecurity company headquartered outside the U.S., today announced as below.

### 1. Views for Investment Unit

We recognize that reducing the amount per investment unit is one of the effective measures to expand a wider range of investors and revitalize the stock market.

### 2. Policies for Investment Unit

Based on above recognition, we continue to consider reducing the investment unit through stock splits, while comprehensively taking into account our stock price level, stock market trends, and the demands of stock exchanges and society.

### About Trend Micro

Trend Micro, a global cybersecurity leader, helps make the world safe for exchanging digital information between people, governments, and enterprises.

Trend leverages security expertise and AI to protect more than 500,000 enterprises and millions of individuals across clouds, networks, endpoints, and devices worldwide. At the core is Trend Vision One™, the only AI-powered enterprise cybersecurity platform that centralizes cyber risk exposure management and security operations, delivering layered protection across on-premises, hybrid, and multi-cloud environments. The unmatched threat intelligence delivered by Trend empowers organizations to proactively defend against hundreds of millions of threats every day. Proactive security starts here. TrendMicro.com
